every contractor to send us their next set of plans for estimate on door and window frames, and do not forget that we always make them a little better than the other fellow.
 We make it a point to joint all our jamb and casing stock before it goes into the cabinet room to be nailed up. This we all know insures a good running window.

BARTLEY'S MARKET

A Fine, Sweet Pipe

for you is the Wellington. With it, you can be sure of a cool, sweet, dry smoke. You won't have the slightest trouble keeping the Wellington clean and tractable. Saliva can't get to the fire to boil and splutter.

The Wellington

is made on the correct pipe principle. It won't foul and it can't clog. Come on in and pick the shape you like best—every one a master-pipe.
